Note: In cases where a customer has previously failed to pay their water bills or a service location has a history of high water usage, the Town may require a security deposit equal to twice the customer's or service location's previous highest monthly usage. This will help ensure that the Town is adequately protected against potential defaults.

Note: Customers will receive a refund for any remaining credit and be invoiced for any balance owed to the Town after the security deposit is deducted from their final bill.
