Note: In cases where a customer has previously failed to pay their water bills or a service location has a history of high water usage, the Town may require a security deposit equal to twice the customer's or service location's previous highest monthly usage. This will help ensure that the Town is adequately protected against potential defaults.

Note: Customers will receive a refund for any remaining credit and be invoiced for any balance owed to the Town after the security deposit is deducted from their final bill.

**New Water Meter Connection Fee**

The fees below are determined based on whether the existing water service is available. If not, the installation cost of the new water service line will be based on time and materials plus tax.
